

# BACH WEN GWYNEDD

Coastal Escapes Immersed in Nature

Discover the magic of Llŷn Peninsula Weddings

---

## Our coastal landscape sets the scene for your truly unique wedding.

In the heart of the stunning Llŷn Peninsula, Bach Wen offers a secluded coastal haven for your wedding. Framed by the dramatic Eryri/Snowdonia mountains and the Irish Sea, this hidden gem blends natural beauty with timeless Welsh charm.

Our versatile indoor and outdoor spaces adapt effortlessly to your vision, creating the perfect backdrop for a celebration that's truly yours.

---

# THE CELEBRATION

## Ceremonies and Celebrations

Set against dramatic coastal and mountain landscapes, Bach Wen is a perfect setting for all celebrations. Our wedding barn is fully licensed for civil wedding and partnership ceremonies. We can host a ceremony of up to 120 in the barn and accommodate 60 seated to eat, however our guests also have the option of organising a marquee, yurt, or tipi; which is ideal for larger parties or those dreaming of an open air wedding overlooking the sea.

With our friendly, flexible and professional team by your side, we'll help make your wedding vision a reality.

# FOOD

## Local, seasonal produce

At Bach Wen, sharing delicious food is at the heart of our ethos, and we're here to ensure your wedding dining is everything you've ever imagined.

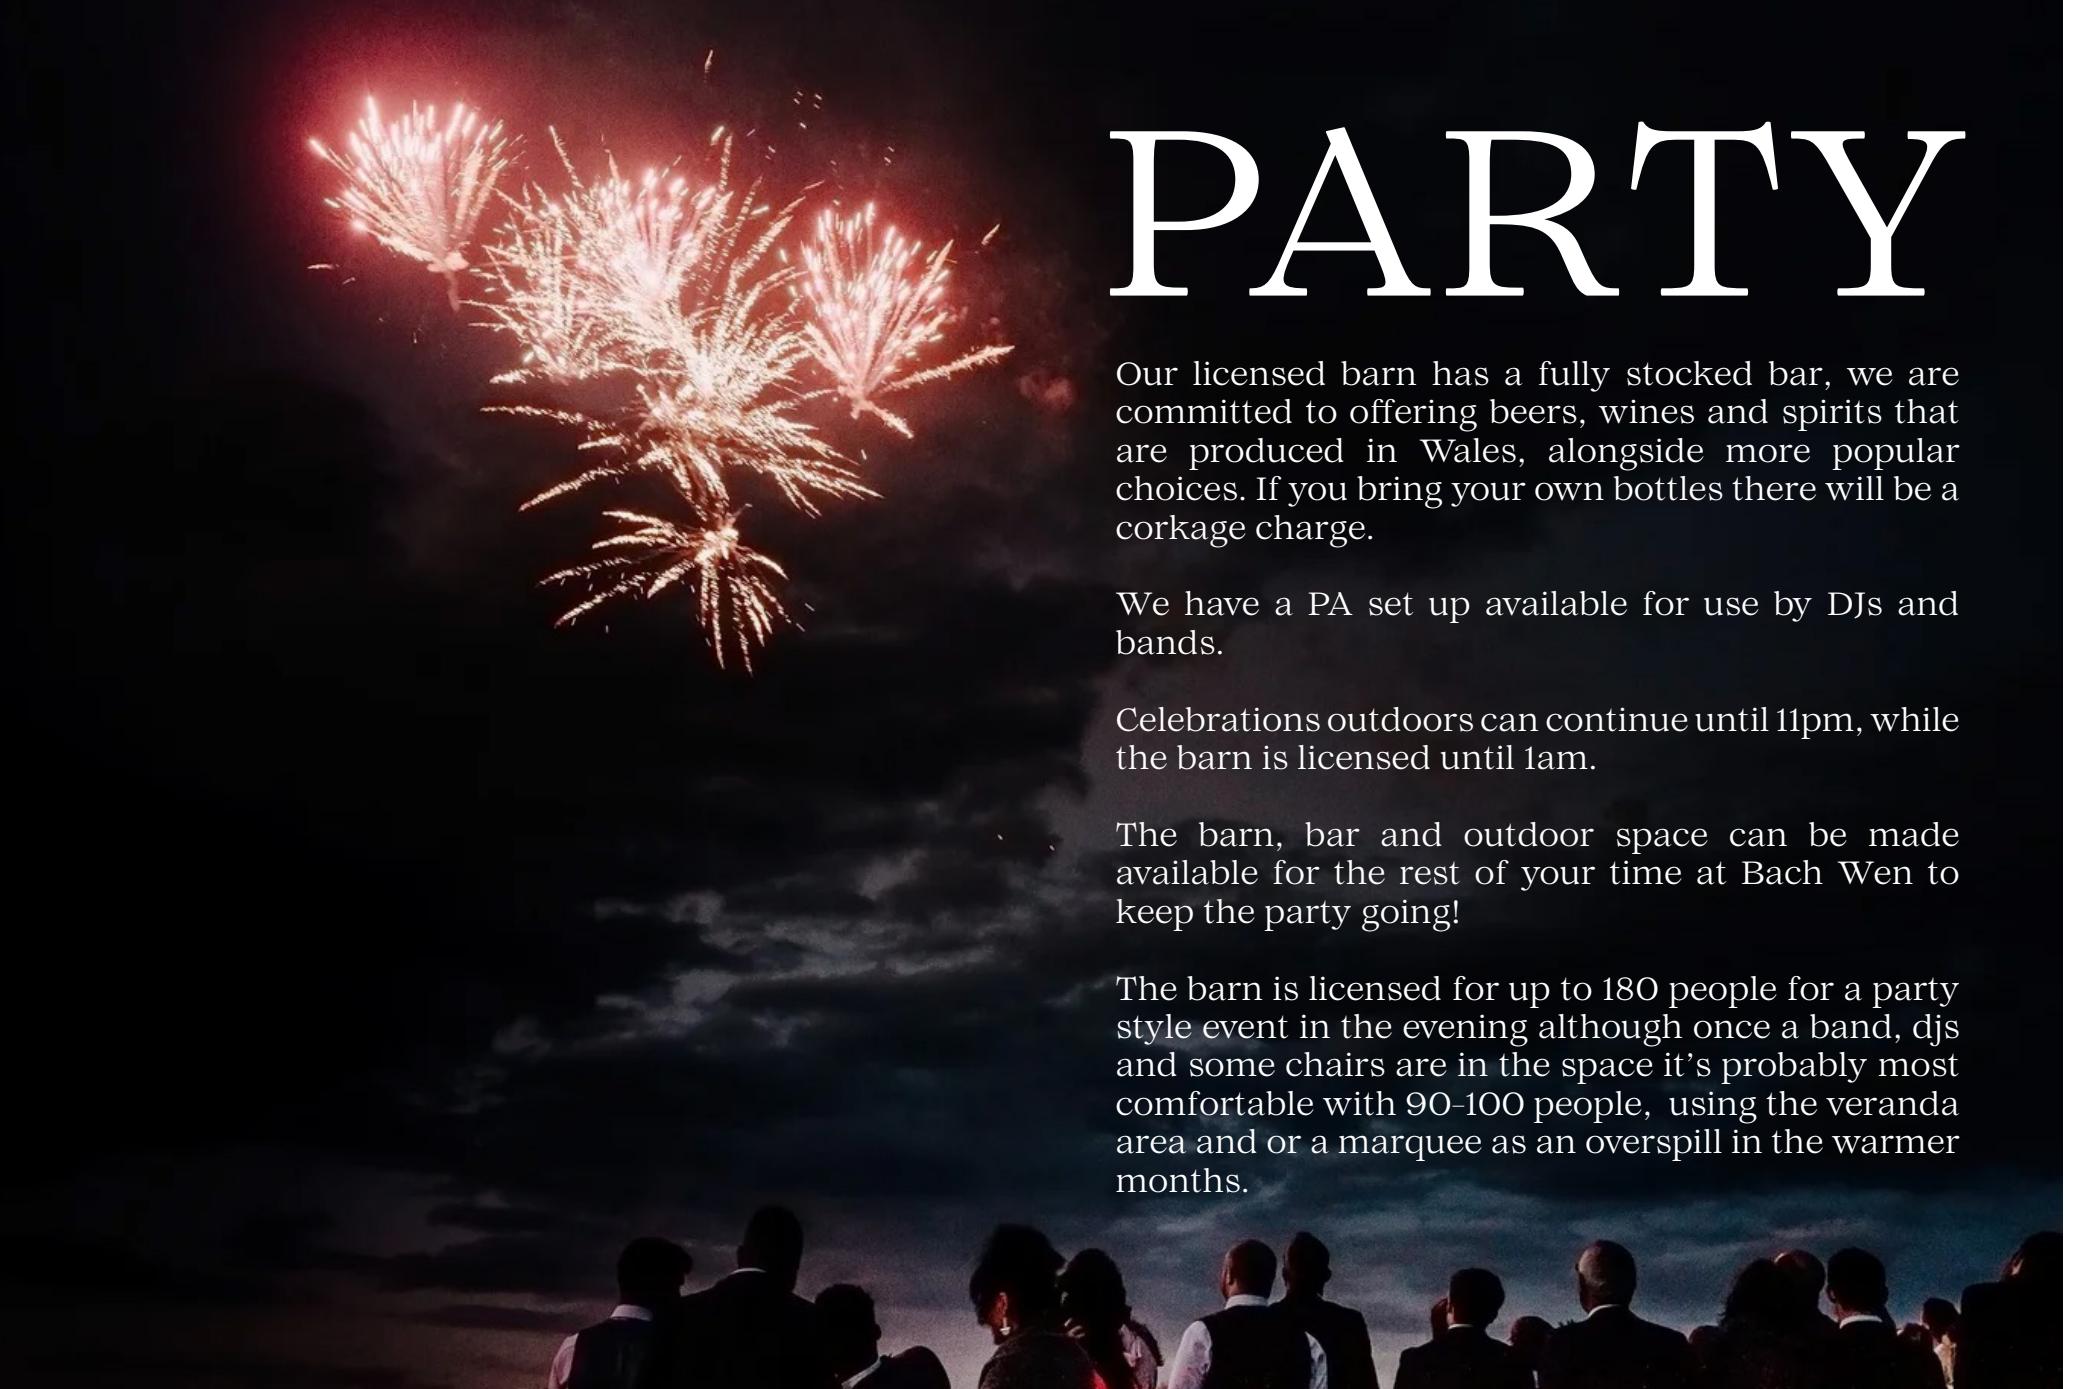

We like to champion fresh, local produce from North West Wales and the Llŷn Peninsula, while always embracing new ideas and flavours to make your wedding menu truly unique.

We can support you to realise your wishes with our own chefs and local caterers or provide recommendations for informal, alternative options such as wood-fired pizza vans and other street foods.

However, we can also arrange for your own chef or caterers to use our kitchen facilities if that is preferred. (there would be a hire fee for this).

The barn seats up to 60 people for a seated buffet style meal. For bigger numbers than this we suggest hiring a marquee.

A photograph showing the silhouettes of several people's heads and shoulders in the foreground, looking towards a dark sky filled with multiple fireworks exploding in red, white, and yellow. The fireworks create a bright, starburst-like effect against the dark background.

# PARTY

Our licensed barn has a fully stocked bar, we are committed to offering beers, wines and spirits that are produced in Wales, alongside more popular choices. If you bring your own bottles there will be a corkage charge.

We have a PA set up available for use by DJs and bands.

Celebrations outdoors can continue until 11pm, while the barn is licensed until 1am.

The barn, bar and outdoor space can be made available for the rest of your time at Bach Wen to keep the party going!

The barn is licensed for up to 180 people for a party style event in the evening although once a band, djs and some chairs are in the space it's probably most comfortable with 90-100 people, using the veranda area and or a marquee as an overspill in the warmer months.

# COTTAGES, PODS AND CAMPING

Our site can host up to 40 people across the eight traditional Welsh farmhouse cottages and 2 cabin pods but this can be extended if guests want to bring airbeds etc. There is also plenty of space for camping and camper vans on top of this for an extra charge.

Other accommodation options are available nearby, which we can recommend upon booking, meaning it is possible to have all your guests either on site or staying close by.

The accommodation is booked for either 3 nights on weekends or 4 nights during the week making your wedding last much longer than just one day.

Please visit our website for more detailed information of our accommodation. [www.bachwen.co.uk](http://www.bachwen.co.uk)

# BUDGET

As a holiday destination we are unable to host weddings when other guests are on site, therefore exclusive use of the site and all accommodation must be hired for at least a three day wedding.
